11x14 1-18 Years Frame

\$42.95

My Story Begins.....

See the progression of your little one growing up before your eyes in this beautiful frame. Featuring an opening of each year, this will be a fun way to see how they grow and change from birth through age 18. Makes a great birthday gift for new parents or grandparents.

[larger image](#)

My Story Begins is engraved above the large opening at the top with the date cut out. The child's name is cut out in the large opening at the bottom.

Size:

-11x14 holds 19 pictures of various size

Frame Color:

-Black

-Oak

Using a computer, each matte is carefully designed to meet your needs and wants, then laser cut from a piece of oak plywood that has been stained with a clear finish to bring out to beauty of the wood.

Each matte comes with a frame for easy displaying on the wall, shelf, table, mantel, desk, etc.

*****Please note in comment to seller upon checkout the name and birth date. We are not responsible for misspellings due to customer error.*****
